

REGISTRATION HEARINGS

This protocol outlines the Heritage Council's process for conducting Registration Hearings under s.46(2) and s.46(3) of the *Heritage Act 2017* (the Act). Hearings will ordinarily follow the steps and timeframes set out below, although the steps and timeframes may be subject to change at the direction of the Heritage Council.

1. Submission on a Registration Recommendation

- 1.1 Anyone may make a written submission to the Heritage Council in relation to a recommendation made by the Executive Director to include or not include a place or object in the Victorian Heritage Register [s.44(1) of the Act].
- 1.2 A written submission must be made in the form prescribed by the Heritage Regulations [s.44(2)] (see *Heritage Council Form A – Submission to the Heritage Council* at: <http://heritagecouncil.vic.gov.au/registrations-reviews/documents-for-registrations-and-reviews/>). Submissions must be lodged with the Heritage Council within 60 days of notice of the recommendation [s.44(3)].
- 1.3 Submitters may also request a Heritage Council hearing in relation to a recommendation [s.44(5)]. The Heritage Council must conduct a hearing if it is requested by someone with a real and substantial interest in the place or object [s.46(2)].
- 1.4 The Heritage Council may also hold a hearing in other circumstances it considers appropriate [s.46(3)].

2. Before the Hearing

2.1 Hearing Notification & Directions

- 2.1.1 If the Heritage Council determines to conduct a hearing, it will notify the following people and organisations that a hearing will be held:
 - (i) the Executive Director, Heritage Victoria;
 - (ii) the owner/s of the place or object subject to the recommendation;
 - (iii) the relevant Local Government Authority;
 - (iv) the National Trust;
 - (v) the person who nominated the place or object to the Victorian Heritage Register;
 - (vi) a person who made a submission in response to the Executive Director's recommendation to include or not include a place/object in the Heritage Register;
 - (vii) the person who requested the hearing; and
 - (viii) any person who the Heritage Council allows in order to inform itself.
- 2.1.2 The Heritage Council may issue written directions on procedural matters prior to a hearing to ensure the efficient and effective running of the hearing [s.247(1)].
- 2.1.3 For complex matters, the Heritage Council may schedule a Directions Hearing to assist in managing the hearing process (for example to determine the number of hearing submitters, whether evidence is to be called, time required for presentation of verbal submissions etc.). Detail on the conduct of Directions Hearings can be found at *Heritage Council Protocol 5: Directions Hearings* at <http://heritagecouncil.vic.gov.au/registrations-reviews/documents-for-registrations-and-reviews/>.

HERITAGE COUNCIL PROTOCOL 1

2.1.4 The Heritage Council may refuse to hear any person who fails to comply with a direction of the Heritage Council [s.247(2)].

2.2 Hearing Submission

2.2.1 Any person wishing to participate in the hearing must lodge the following documents with the Heritage Council no later than 28 days prior to the hearing date.

***Important note:** If a person does not provide (i) below (as a minimum), the Heritage Council will consider that the person does not wish to participate in the hearing process, will not circulate Hearing Submissions to them, and may not provide them with an opportunity to be heard at the hearing.

(i) A Registration Hearing Participation Form

If a person wishes to participate in a hearing process they must complete and return *Heritage Council Form B – Registration Hearing Participation Form* (see <http://heritagecouncil.vic.gov.au/registrations-reviews/documents-for-registrations-and-reviews/>). A timetable for the hearing will be prepared and circulated on the basis of information provided in this form. If, after receiving a circulated timetable, it is felt a longer time is required for the hearing than initially allocated, the Hearings Coordinator should be notified immediately.

(ii) Detailed Hearing Submission

A detailed written submission on the Executive Director's recommendation (known as a Hearing Submission) should be provided, along with any written evidence and any photographic or audio/visual evidence upon which the person intends to rely (including material that may be used for the purposes of any powerpoint, photographic or audio visual presentation at the hearing).

Hearing Submissions will be circulated by the Hearings Coordinator to all other people participating in the hearing and may also be obtained by members of the public through the provisions of the *Freedom of Information Act 1982*.

A Hearing Submission must relate to any or all of the following:

- (a) Whether or not the place (or part thereof) or object is of state-level cultural heritage significance (this should include a consideration of the *Heritage Council Criteria for the Assessment of Cultural Heritage Significance*, adopted 7 August 2008), in accordance with s.11(1)(k) of the Act.
- (b) The category or categories in which the place or object should be included in the Victorian Heritage Register.
- (c) The extent of registration.
- (d) The categories of works/activities able to be carried out without the need for a permit.

Note: specific development proposals that may affect the place or object in the future cannot be considered.

Hearing Submissions should be in A4, double-sided and two hole punched. Plans and other diagrammatic information may be in A3 double-sided and two hole punched.

(iii) Evidence

If a person proposes to call a witness to provide evidence at the hearing, a written statement of that evidence must be provided.

If a person proposes to call an expert to provide evidence at the hearing, a written statement of the expert's evidence must be provided. Further details relating to the

HERITAGE COUNCIL PROTOCOL 1

evidence and conduct of experts can be found at *Heritage Council Protocol 6: Expert Evidence* (see: <http://heritagecouncil.vic.gov.au/registrations-reviews/documents-for-registrations-and-reviews/>).

Written evidence should be in A4, double-sided and two hole punched. Plans and other diagrammatic information may be in A3 double-sided and two hole punched.

(iv) **Submissions in Reply**

People participating in the hearing process will have an opportunity to respond to other submissions and evidence in writing prior to the hearing. A Submission in Reply is not compulsory but it allows the opportunity to challenge the claims of others and to refine the matters in dispute prior to the hearing.

A Submission in Reply must be lodged with the Heritage Council 14 days prior to the hearing.

Submissions in Reply will be circulated by the Hearings Coordinator prior to the hearing and may also be obtained by members of the public through the provisions of the *Freedom of Information Act 1982*.

(v) **Other Hearing-Related Correspondence**

Other hearing-related correspondence received will be circulated to other hearing participants, unless it is of a purely administrative nature.

2.2.2 The Heritage Council's *The Victorian Heritage Register Criteria and Threshold Guidelines* is a key document in guiding decision-making on whether a place or object is of state-level cultural heritage significance. It should be addressed in Hearing Submissions and evidence provided in respect of the cultural heritage significance of the place or object. The guidelines are available at <http://heritagecouncil.vic.gov.au/registrations-reviews/documents-for-registrations-and-reviews/>.

2.3 **Adjournments**

2.3.1 If any person wishes to request an adjournment of the scheduled hearing an application should be made as soon as practicable, in writing, in the form *Heritage Council Hearings Form E – Request for Adjournment* (see: <http://heritagecouncil.vic.gov.au/registrations-reviews/documents-for-registrations-and-reviews/>). The Heritage Council will circulate your form and seek the views of all hearing participants prior to ruling on any adjournment request.

2.3.2 The Heritage Council will determine whether the adjournment will be granted [s.253].

2.3.3 The Heritage Council may, on its own initiative, adjourn a hearing if it considers an adjournment necessary [s.253].

2.4 **Site Inspection**

2.4.1 The Heritage Council may conduct a site inspection prior to, during, or following the hearing.

2.4.2 Ordinarily site inspections will be unaccompanied, except for the Hearings Coordinator. A representative of the owner may be in attendance if it is necessary to obtain access or for security reasons.

2.5 **Additional Information**

2.5.1 The Heritage Council may seek additional information from any person at any stage of the hearings process [s.45]. Additional information received by the Heritage Council will be made available to all other hearing participants.

HERITAGE COUNCIL PROTOCOL 1

- 2.6.1 A 'withdrawal' is written notification from a person advising that they either no longer wish to participate in a hearing process and/or that they wish to withdraw any previous submissions made on the Executive Director's recommendation.
- 2.6.2 A person who wishes to withdraw from the process must advise the Heritage Council as soon as practicable.
- 2.6.3 Where a submission had caused a hearing, the withdrawal of that submission may result in the hearing not being held. If the hearing is cancelled, the Heritage Council will make a decision on the Executive Director's recommendation after a consideration of any written submissions received.

3. At the Hearing

- 3.1 A Committee of at least three (3) members of the Heritage Council will conduct the hearing.
- 3.2 All hearings are open to the public and the media. Members of the media must identify themselves to the Committee prior to the commencement of the hearing.
- 3.3 Photography, as well as the video or audio recording of proceedings, is prohibited unless specifically approved by the Committee in advance.
- 3.4 All people participating in the hearing are expected to treat others with respect and adhere to any directions of the Committee. The Committee may refuse to hear any person who fails to comply with a direction of the Committee [s.247(2)].
- 3.5 A person who is participating in the hearing may be represented by another person (e.g. a legal representative).
- 3.6 The order in which the Committee will hear verbal submissions and evidence is as follows:
 - (i) The Executive Director
 - (ii) The nominator
 - (iii) The local government authority
 - (iv) The National Trust
 - (v) Other persons
 - (vi) The Owner

A right of reply will only be afforded at the discretion of the Committee.

3.7 Verbal Submissions

- 3.7.1 Verbal submissions should be concise and directed to the main arguments of the written material lodged and the matters outlined in 2.2.1(ii) of this protocol. The lengthy restatement of points made by previous speakers should be avoided. Submitters should adhere to the time allocated in the circulated timetable.
- 3.7.2 The Committee may ask questions of any submitter.
- 3.7.3 Direct questioning of submitters or their advocates by others is not permitted. Questions of clarification may be allowed at the discretion of the Committee.

3.8 Evidence

- 3.8.1 A person may call a witness (including an expert witness) at the hearing where a written statement of evidence from that witness has previously been received and circulated to all people participating in the hearing.

HERITAGE COUNCIL PROTOCOL 1

- 3.8.2 Witnesses must be made available for cross-examination by other people participating in the hearing.
- 3.8.3 The conduct of expert witnesses is outlined in *Heritage Council Protocol 6: Expert Evidence* (see: <http://heritagecouncil.vic.gov.au/registrations-reviews/documents-for-registrations-and-reviews/>).

3.9 New Material

- 3.9.1 Given the procedure of circulating Hearing Submissions, evidence and Submissions in Reply prior to the hearing, new written or visual material (including photographic evidence, plans, maps or powerpoint presentations) will not be allowed at the hearing except with the leave of the Committee.
- 3.9.2 In some circumstances the allowance of new material may be grounds for an adjournment and/or an opportunity to respond to the new material in writing.

3.10 Adjournments

- 3.10.1 An adjournment may be sought at the hearing. In considering the request, the Committee will have regard to the reasons given for any request and the views of other hearing participants.
- 3.10.2 The Committee will determine whether the adjournment will be granted [s.253].
- 3.10.3 The Committee may, on its own initiative, adjourn a hearing if it considers an adjournment necessary [s.253].

4. After the Hearing

- 4.1 The Committee must make a determination on the Executive Director's recommendation within 90 days of concluding the hearing [s.49(2)(b)].
- 4.2 The Committee must make one of the following determinations:
