At a meeting of the Heritage Council of Victoria on 1 April 2021 it was determined that, in accordance with s.62 of the Heritage Act 2017, the above place is to be amended in the Heritage Register, by making the following amendments:

- Amending the extent of registration by including additional land pursuant to s.49(1)(d)(i) and (ii), in accordance with the Executive Director's recommendation report; and,
- Determining categories of works or activities which may be carried out in relation to the place for which a permit is not required (permit exemptions), pursuant to s.49(3).

This decision was reached having considered the information included in the Executive Director's statement of recommendation and a submission received in response. The Heritage Council's reasons for determining to make the above amendments to the Heritage Register are generally in accordance with the reasons of the Executive Director.

The Council noted that the edge of the building may extend beyond the new extent of registration and the Executive Director may wish to consider if any further amendments are necessary.
