Category	Registered Object

The Heritage Council of Victoria determined on **2 June 2022** that:

- the above object is of State-level cultural heritage significance and should be included in the Victorian Heritage Register as a registered object in accordance with section 49(1)(a) of the Act; and
- the categories of works or activities which may be carried out in relation to the object for which a permit is not required (permit exemptions) are to be included, pursuant to section 49(3) in accordance with the Executive Director's recommendation.

This decision was reached having considered the assessment against the Heritage Council's criteria and the information included in the Executive Director's statement of recommendation. The Heritage Council's reasons for determining to include the object in the Heritage Register are generally in accordance with the reasons of the Executive Director.
