

PERMIT REVIEWS & HEARINGS

This protocol outlines the Heritage Council's process for conducting reviews of determinations in relation to permits (Permit Reviews) and hearings into Permit Reviews under Part 5, Division 5 of the *Heritage Act 2017* (the Act). Permit Reviews and hearings will ordinarily follow the steps and timeframes set out below, although the steps and timeframes may be subject to change at the direction of the Heritage Council.

Note on using the HCV Hub for Permit Reviews and Hearings:

The HCV Hub is the Heritage Council of Victoria's online platform for interested persons to lodge forms and submissions to the Heritage Council in relation to its regulatory processes conducted pursuant to the *Heritage Act 2017*. All forms, submissions and hearing-related material are to be lodged with the Heritage Council by way of the HCV Hub [<https://application-hub.app.planning.vic.gov.au/hc>]. In turn, all hearing-related correspondence and material will be made available to participants via the HCV Hub. Where a person or organisation is unable to access the HCV Hub for the purpose of lodging forms and submissions, they should liaise with the Secretariat.

Where this protocol or the Act requires the 'lodgment' or 'submission' of forms etc. to be made 'in writing', this is to be done via the online forms on the HCV Hub.

1. Requesting a Review of a Permit Decision

- 1.1 If the Executive Director refuses a permit application in full or in part, the permit applicant, owner or government asset manager, or a person with a real and substantial interest in the place or object may seek a review of the decision [s.106(1) of the Act].
- 1.2 If a permit is issued by the Executive Director, the permit applicant, owner or government asset manager of the place or object can seek a review of any condition imposed on the permit [s.106(2)].
- 1.3 If an issued permit applies to only part of the place or object, only the applicant, or the owner or government asset manager of that part of the place or object, may seek a review of the conditions imposed on the permit [s.106(2A)].
- 1.4 A request for a Permit Review must be in writing and should be made in the form of *Heritage Council Form C – Request for a Permit Review* (available on the HCV Hub). A request for a Permit Review must be lodged with the Heritage Council within 60 days of the notice of refusal, part refusal, or the permit being issued subject to conditions [s.106(4)].
- 1.5 For the request to be valid, it must be accompanied by the prescribed fee.

2. Notification of a Permit Review and Hearing Requests

- 2.1 On receiving a request for a Permit Review, the Heritage Council must notify:
 - (i) the Executive Director;
 - (ii) the applicant, if the person requesting the review is not the applicant;
 - (iii) the owner or government asset manager of the place or object if the person requesting the review is not the owner or government asset manager;
 - (iv) the responsible authority for the area in which the place or object is situated and if the responsible authority is not a municipal council, the relevant municipal council;
 - (v) the National Trust if the National Trust has previously lodged a submission with the Executive Director in relation to the permit application [s.106(5)].
- 2.2 If the review relates to only part of a registered place or registered object, the Heritage Council is only required to notify the owner or government asset manager of that part of the place or object, if the person requesting the review is not that owner or government asset manager [s.106(6)].
- 2.3 The Heritage Council will require the applicant for review and the responsible authority to specify whether they request a hearing into the Permit Review. The Heritage Council must conduct a hearing into the Permit Review if the circumstances require it [s.108(4)].

- 2.4 The Executive Director may appear, be heard or be represented at any hearing into the review of the Executive Director's determination relating to a permit.
- 2.5 The rest of this protocol is confined to circumstances where a hearing is to be conducted into a Permit Review.

3. Before the Hearing

3.1 Hearing Notification & Directions

- 3.1.1 The Heritage Council will notify the following people and organisations and will give them the opportunity to provide additional information in relation to the Permit Review in the form of a detailed Hearing Submission:
- (i) the permit applicant;
 - (ii) the Executive Director, Heritage Victoria;
 - (iii) the owner/s of the place or object;
 - (iv) the responsible authority and, if the responsible authority is not a municipal council, the relevant municipal council;
 - (v) the National Trust if the National Trust previously lodged a written submission with the Executive Director in relation to the permit application;
 - (vi) any person whom the Heritage Council allows in order to inform itself.
- 3.1.2 The Act requires the Heritage Council to allow certain categories of person to participate in any Permit Review Hearing, namely those identified in paragraphs (i), (ii), (iii), (iv) and (v) above. Other persons are not able to participate in a Review Hearing unless the Heritage Council is satisfied that the person has a real and substantial interest in the determination of the Review. (In any case, all written submissions made under s.95 or s.100 of the Act will be considered by the Heritage Council in the determination of the Review).
- 3.1.3 The Heritage Council may issue written directions on procedural matters prior to a hearing to ensure the efficient and effective running of the hearing [s.247(1)].
- 3.1.4 Where a permit has been refused by the Executive Director, and the permit application is subject to a review of the Heritage Council, the Heritage Council may require evidence be provided that requirements of the *Aboriginal Heritage Act 2006* (Vic) and *Aboriginal Heritage Regulations 2018* have been met.
- 3.1.5 For complex matters, the Heritage Council may schedule a Directions Hearing to assist in managing the hearing process (for example to determine the number of hearing submitters, whether evidence is to be called, the time required for presentation of verbal submissions etc.). Detail on the conduct of Directions Hearings can be found at Heritage Council Protocol 5: Directions Hearings at <https://heritagecouncil.vic.gov.au/registrations-reviews/documents-for-registrations-and-reviews/>.
- 3.1.6 The Heritage Council may refuse to hear any person who fails to comply with a direction of the Heritage Council [s.247(2)].

3.2 Requests to Participate in a Permit Review Hearing

- 3.2.1 Any person wishing to participate in the hearing must, by the date specified by the Heritage Council, complete and return *Heritage Council Form D – Permit Review Hearing Participation Form* (available on the HCV Hub). A timetable for the hearing will be prepared and circulated on the basis of information provided on this form.
- 3.2.2 Where a Form D is received from a person not identified at paragraphs 3.1.1 (i), (ii), (iii), (iv) and (v) above, the Heritage Council may afford standing in the review hearing to that person if the Heritage Council is satisfied that they have a real or substantial interest in the matter.
- 3.2.3 All Form Ds received by the specified date will be circulated by the Hearings Manager to all other people participating in the hearing and may also be obtained by members of the public through the provisions of the *Freedom of Information Act 1982*.
- 3.2.4 If a person does not complete and return Form D by the specified date, the Heritage Council will consider that the person does not wish to participate in the hearing process, may not circulate Hearing Submissions to them, and may not provide them with an opportunity to be heard at the hearing.

3.3 Hearing Submissions

Hearing Submissions, photographs and audio-visual material will be circulated by the Hearings Manager to all other people participating in the hearing and may also be obtained by members of the public through the provisions of the *Freedom of Information Act 1982*.

A Hearing Submission must relate to the matters set out in s.101(2), being:

- (c) any submissions made under s.95 or s.100;
- (d) if the permit applicant is a public authority, the extent to which the application, if refused, would unreasonably detrimentally affect the ability of the public authority to perform a statutory duty specified in the application;
- (e) if the application relates to a listed place or to a registered place in a World Heritage Environs Area, the extent to which the application, if approved, would affect:
 - (i) the world heritage values of the listed place; or

Any without prejudice draft permit conditions provided by the Executive Director will be circulated by the Hearings Manager to all hearing participants.

3.3.2 The Heritage Council may, on occasion, request hard copies of hearing-related material.

3.4 Submissions in Reply

People participating in the hearing process will have an opportunity to respond to other submissions, evidence and draft permit conditions in writing prior to the hearing. A 'Submission in Reply' is not compulsory but it allows the opportunity to challenge the claims of others and to refine the matters in dispute prior to the hearing.

A 'Submission in Reply' must be lodged with the Heritage Council 14 days prior to the hearing date.

'Submissions in Reply' will be circulated by the Hearings Manager prior to the hearing and may also be obtained by members of the public through the provisions of the *Freedom of Information Act 1982*.
